Also, sometimes, once we get to know you, we sometimes put things we think you might enjoy, you don't have to buy them if you don't want, don't worry you won't hurt our feelings if you don't want them, we'll pout quietly behind the counter after you've left.</p>

This doesn't mean you have to come in every week, but warn me if you can't come in for awhile so I don't worry about you. (c) This isn't really a 3rd rule, it's more of an adendum to (b): If you haven't come in in more than a month (unless you told me this in advance), we will do everything we can to contact you, but if we can't get ahold of you we will cancel file and all books will go back out on stands.</p>
